Racial Equity and DEI Concepts

Build shared understanding of key concepts

Covering concepts of diversity, race and racial equity, and inclusion, this workshop builds shared understanding and practice with tools of essential concepts and frameworks in the DEI and racial equity space. Includes active participation to process learning and deepen clarity on organizational "Why DEI".

Designing for Racial Equity & Inclusion

Operationalize and embed equity practices

How can we consistently practice racial equity? What does it mean to operationalize racial equity? This workshop shares concrete tools for teams to discover drivers of inequity and redesign organizational processes.

Mindfulness, Purpose, and DEI Leadership

Being present to enact transformative change

Practices required to create sustainable and meaningful change require a deep sense of collective purpose, well-being, and creative thinking. This workshop explores how mindfulness and purpose-focused practices advance DEI leadership.

Facilitation to Advance DEI & Impact

Facilitate brave and meaningful change

Learn how to design engaging gatherings and facilitate groups in your workplace with an inclusion and equity lens. Covers agenda planning, activity ideas, logistics, and concrete facilitation skill building. Excellent for organizational DEI leaders.

Undoing Implicit Bias

Uncovering and breaking bias

This workshop covers the different forms of bias, explores privilege, and provides tangible practices to combat hidden biases.

Thank you. I have been in so many DEI trainings, but you said it in a way that makes sense and is real.
I get it now.
